**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO will publish a patent application 18 months from the date of filing. The USPTO will delay the publication of an application if it is determined that the application is subject to a secrecy order under 35 USC 181 and will not publish the application until the secrecy order is lifted. The application will be published 18 months from the filing date or 20 days from the date the "Date of Secrecy" is lifted, whichever is later, unless the application is approved by the USPTO for the purpose of publishing the application to the public domain.
